SANDOWN NEW HAMPSHIRE ANNUAL REPORTS

FOR THE FISCAL YEAR ENDING DECEMBER 31, 1994

OLD MEETING
HOUSE

Last year, Sandown overwhelmingly voted to financially support some badly needed structural repairs to the historical Old Meeting House.

Bob Pothier of "First Period Colonial" Restoration Company was hired to do the work. Using his antique tools, Bob replaced sills, repaired trim, etc. If a floor board or clapboard was removed, it was numbered so that it was placed back in exactly the same spot. Bob did such a good job that the building still looks 222 years old in every aspect.

Our Old Meeting House is once again safe for visitors to explore.

Thank you,

The Old Meeting House
Historical Association

Cover photo taken by
Mrs. Debbie Brown

Dedicated to two of Sandown's
True Blue Yankee New Englanders

Harold and Nellie Lovering

Harold, born in West Lebanon, N. H. on April 2, 1908, moved to Sandown when he was 1 1/2 years old and lived on Sargent Road with his grandparents and uncles.

Nellie who was born on July 26, 1915 in Bow, NH moved to Sandown after high school.

Harold and Nellie were married 60 years ago and have lived at 74 Sargent Road for most of this time. They both worked at part-time jobs in Sandown and Chester for many years. They have both really enjoyed living in Sandown and are amazed at the changes that have taken place over the years.

Harold worked as a carpenter and Nellie worked as a housekeeper for several families in town. Picking apples and working in large orchards for Clarence Drowne on North Road in Sandown was very enjoyable to both Nellie and Harold. They have also enjoyed growing vegetable gardens and canning vegetables for many years.

Harold has his own sharpening business and has been fixing things and filing saws, axes, scissors, skates, etc. for 65 years.

Nellie's involvement in "Sixty Plus" and Harold's appearance on "Crossroads of New Hampshire" have been their high spots in recent years. Harold's story telling and Nellie's quiet listening have won the couple many friends from all over the countryside. Taking time to enjoy the flowers, the birds and all their pets have led these two people through a quiet way of life with many true friendships.

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 8:00 P.M.

To the Inhabitants of the Town of SANDOWN *in the*
[L. S.] *County of* ROCKINGHAM *in said State, qualified to vote*
in Town Affairs:

You are hereby notified to meet at SANDOWN TOWN HALL in
said SANDOWN on Tuesday, the FOURTEENTH day of
March, next at TEN of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. TO CHOOSE ALL NECESSARY TOWN OFFICERS FOR THE ENSUING YEAR.

NOTICE: THE FOLLOWING ARTICLES TO BE VOTED ON AT ADJOURNED MEETING,
SATURDAY, MARCH 18, 1995.

ARTICLE 2. TO RAISE SUCH SUMS OF MONEY AS MAY BE NECESSARY TO DEFRAY
TOWN CHARGES FOR THE ENSUING YEAR AND MAKE APPROPRIATION OF THE SAME.

ARTICLE 3. TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE BOARD OF
SELECTMEN TO ACCEPT, ON BEHALF OF THE TOWN, GIFTS, LEGACIES, AND DEVISES
MADE TO THE TOWN IN TRUST FOR ANY PUBLIC PURPOSE, AS PERMITTED BY RSA 31:19.

We hereby certify that we gave notice to the inhabitants within named, to meet at time
and place and for the purpose within mentioned, by posting up an attested copy of the within
Warrant at the place of meeting within named, and a like attested copy at SANDOWN TOWN HALL &
SANDOWN POST OFFICE being a public place in said Town, on the TWENTY-FIRST
day of February, 19 95.

William H. Grum, Jr., Chairman

Donald R. Parent

Paul R. Bertoncini

Selectmen
of
SANDOWN, NH

4. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$600 FOR THE VIC GEARY CENTER IN PLAISTOW TO PROVIDE SOCIAL SERVICES FOR SENIOR CITIZENS. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
5. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$1,200 FOR THE PURPOSE OF RECREATIONAL AND EDUCATIONAL ACTIVITIES FOR THE ELDERLY CITIZENS OF SANDOWN (Recommended by Board of Selectmen) (Recommended by Budget Committee)
6. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$61,000 TO PAY FOR LEGAL FEES AND COURT DECISION COSTS INCURRED FROM THE SECOND PHASE OF THE SANDOWN HIGHWAY IMPROVEMENT PROJECT (S.H.I.P.) (Recommended by Board of Selectmen) (Recommended by Budget Committee)
7. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$80,000 TO BE USED FOR THE PURCHASE OF A NEW RESCUE/ AMBULANCE VEHICLE. TEN THOUSAND (\$10,000) OF THE SUM TO BE TAKEN FROM THE CAPITAL RESERVE FUND BEGUN FOR THIS PURPOSE. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
8. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$10,000 TO BE ADDED TO THE CAPITAL RESERVE ACCOUNT DESIGNATED FOR THE PURCHASE OF A NEW RESCUE/AMBULANCE VEHICLE. THIS WARRANT ARTICLE TO BE CONSIDERED SHOULD WARRANT ARTICLE #7 FAIL. (Recommended by Board of Selectmen) (Not Recommended by Budget Committee)

24. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$4,000 FOR THE PURPOSE OF REPAIRING/REPLACING A FAILED SEPTIC SYSTEM(S) FOR A SANDOWN RESIDENT(S). THIS SUM TO BE DEPOSITED INTO A NON-LAPSING ACCOUNT FOR A PERIOD OF NO MORE THAN FIVE YEARS FROM THE END OF THE FISCAL YEAR 1995. EXPENDITURES OF ANY FUNDS WILL REQUIRE A LIEN TO BE APPLIED TO THE PROPERTY. (Recommended by Board of Selectmen) (Not Recommended by Budget Committee)
25. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$2,000 FOR THE PURCHASE OF A CD ROM MULTI-MEDIA COMPUTER, PRINTER, MONITOR, CABLES AND ON-SITE WARRANTY FOR THE PURPOSE OF UTILIZATION BY THE EMERGENCY MANAGEMENT DEPARTMENT, FIRE DEPARTMENT AND RESCUE SQUAD. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
26. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$1,370 TO PURCHASE A GPS RECEIVING SYSTEM TO ALLOW ACCURATE LOCATIONS OF TOWN BOUNDARY MARKERS AND TO AID IN TOWN MAPPING. THE SUM WOULD BE OBTAINED FROM THE CAPITAL RESERVE FUND ESTABLISHED TO SURVEY TOWN BOUNDS WITH THE REMAINDER OF THE FUNDS TO BE USED TO OFFSET TAXES. TAX IMPACT IS 0. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
27. TO SEE IF THE TOWN WILL VOTE TO ESTABLISH THE POSITION OF TOWN CLERK/TAX COLLECTOR AS A FULL-TIME SALARIED POSITION EFFECTIVE JANUARY 1, 1996. (Recommended by Board of Selectmen)
28. TO SEE IF THE TOWN OF SANDOWN WILL VOTE TO ACCEPT THE GIFT OF WATERFRONT BEACH PROPERTY ON PILLSBURY ROAD, LOT 21-1, MAP 25, TOWN OF SANDOWN, FOR RECREATIONAL USE (AS THE TOWN DETERMINES) BY RESIDENTS OF SANDOWN. THIS PROPERTY WOULD BE CONVEYED SUBJECT TO THE CONDITION THAT IT BE USED EXCLUSIVELY FOR RECREATIONAL PURPOSES. IF THE PROPERTY IS USED FOR OTHER THAN RECREATIONAL PURPOSES, IT SHALL REVERT TO THE GRANTOR OR HER HEIRS OR ASSIGNS. (By Petition)
29. TO SEE IF THE TOWN WILL VOTE (PURSUANT TO RSA 154:1) TO MAINTAIN THE FORM OF THE FIRE DEPARTMENT ORGANIZATION WHICH WAS VOTED BY THE TOWN PER WARRANT ARTICLE #24 AT THE MARCH 1984 TOWN MEETING. (Recommended by Board of Selectmen)

Q 1. ARE YOU IN FAVOR OF THE ADOPTION OF THE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD?

AMEND ARTICLE II, PART D, SECTION 1, PARAGRAPH G TO READ AS FOLLOWS:

"MAXIMUM DWELLING UNITS PER ACRE. THE RESIDENTIAL DENSITY WITHIN THE AREA BEING DEVELOPED SHALL NOT EXCEED TWO (2) PER ACRE, AS MEASURED ON ONE SIDE OF A ROAD OR STREET. IF STRUCTURES GREATER THAN DUPLEXES ARE PROPOSED, THEN THE ACREAGE REQUIREMENT SHALL BE INCREASED PROPORTIONATELY. (I.E. TRIPLEX PER 1.5 ACRE; QUADPLEX PER TWO ACRES).

ARE YOU IN FAVOR OF THE ADOPTION OF THE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD?

AMEND THE INTRODUCTORY PARAGRAPH OF ARTICLE II, PART D, SECTION 1, PARAGRAPH H TO READ AS FOLLOWS:

"FRONTAGE/SETBACKS. CLUSTER DEVELOPMENT SHALL NOT BE REQUIRED TO CONFORM TO THE MINIMUM FRONTAGE AND LOT SIZES REQUIRED ELSEWHERE IN THE SANDOWN ZONING ORDINANCE, BUT SHALL BE DESIGNED WITH A MINIMUM FRONTAGE OF 100 FEET, AND SHALL BE SO DESIGNED AND CONSTRUCTED AS TO ACHIEVE THE PURPOSES OF CLUSTER DEVELOPMENT SET FORTH IN THESE REGULATIONS. LESSER FRONTAGE MAYBE GRANTED ON A CUL-DE-SAC STREET. BUILDING SETBACKS SHALL BE THE SAME AS THOSE IN ARTICLE III, PART A, SECTION 1."

ARE YOU IN FAVOR OF THE ADOPTION OF THE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD?

AMEND ARTICLE II, PART D, SECTION 1, PARAGRAPH Q, SUB-SECTION 6, A. TO READ AS FOLLOWS:

"ALL COLLECTOR ROADS AND SERVICE ROADS SHALL BE BUILT TO THE TOWN SUBDIVISION REQUIREMENTS FOR NEW PUBLIC ROADS."

ARE YOU IN FAVOR OF THE ADOPTION OF THE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD?

DELETE ARTICLE II, PART D, SECTION 1, PARAGRAPH Q, SUB-SECTION 6, SUB-PARAGRAPHS B. AND C.

Q 2 . ARE YOU IN FAVOR OF THE ADOPTION OF THE ZONING ORDINANCE AS PROPOSED BY THE PLANNING BOARD?

ARTICLE XII

Authority and Purpose

The unplanned growth experienced by the town has resulted in circumstances requiring immediate attention and therefor, pursuant to RSA 674:23, the Town of Sandom hereby enacts Interim Growth Management Regulations for the period of one year from when this Ordinance is enacted, or until adequate measures are instituted which address the circumstances, whichever comes first. The purposes of this Article are:

- A. To insure that the rate of growth of the Town experienced in the coming years does not unreasonably interfere with the Town's capacity for planned, orderly expansion of its services to accommodate such growth.
- E. To provide time for the Town to update the Master Plan, update the Capital Improvement Program and develop a Growth Management; Timing of Development Ordinance under RSA 674:22.
- C. To explore adequate police and fire protection, sanitation, and to see if our school system is adequate.
- D. To explore and review alternative town regulations and ordinances.

DEFINITIONS:

DWELLING UNIT shall mean rooms with cooking, living, sleeping, and sanitary facilities arranged for the use of one or more individuals living together as a single-family unit.

REGULATIONS:

- A. Permits for nonresidential construction, or permits for the expansion, alteration or replacement of existing dwelling units shall be exempt from the provisions of this article, provided said construction does not result in additional dwelling units.
- B. The maximum number of building permits issued for the construction of new dwelling units shall be limited to thirty six (36) for the period in which the Interim Growth Management Regulations are in effect.
- C. A separate building permit shall be required for each dwelling unit proposed for construction.
- D. Permits for dwelling construction shall be granted according to the following schedule:

January	9 permits
April	9 permits
July	9 permits
October	9 permits

No more than four (4) permits will be issued to one person or developer during the interim period.

In the event that fewer than the allotted permits are issued in one quarter, the unused permits shall be applied equally to the remaining quarters. Under no circumstances shall the total number of permits under this regulation exceed thirty six (36).

- E. Permit applications shall be issued on a lottery basis. Applications will only be given to the owners, or their agents, of legal building lots. The lottery is to be conducted at the second Selectmen's meeting of the months listed. No building permit shall be granted under this Article until the Building Inspector has determined that the proposed construction complies with all other applicable regulations and ordinances of the Town.

TOWN OF SANDOWN
PUBLIC CAPITAL FACILITIES IMPACT FEE ORDINANCE
ARTICLE II PART E
12/30/94

3. Section I: Authority

Authority for this ordinance is established pursuant to New Hampshire RSA's 674:16, 674:17 and 674:21.

Section II: Intent and Purpose

This ordinance is intended to:

- A. Implement and be consistent with the Town of Sandown's Master Plan and Capital Improvements Program, herein referred to as "CIP".
- B. Allocate a fair and equitable share of the cost of public facilities to new development; and
- C. Require new development to contribute its proportionate share of funds necessary to accommodate its impact on public facilities having a rational nexus to the proposed development, and for which the need is attributable to the proposed development.

Section III: Findings

The Town of Sandown Town Meeting finds, determines and declares that:

- A. The Town of Sandown is responsible for and committed to the provision of public facilities and services at levels necessary to support residential and non-residential growth and development.
- B. Such facilities are described in the CIP which has been regularly updated pursuant to New Hampshire RSA 674:5.
- C. The rapid rate of growth experienced by the Town in recent years, as well as projected growth rates, would necessitate an excessive expenditure of public funds in order to maintain adequate facility standards.
- D. Each of the types of land development described in Section VII hereof, will create a need for construction, equipping or expansion of public capital facilities.
- E. The imposition of impact fees is one of the preferred methods of ensuring that public expenditures are not excessive, and that development bears a proportionate share of the cost of public capital facilities necessary to accommodate such development. This must be done in order to promote and to protect the public health, safety and welfare.
- F. The fees established by Section VII are derived from, are based upon, and do not exceed the costs of:

- (1) Providing additional public capital facilities necessitated by new land developments for which the fees are levied; or

- (2) Compensating the Town of Sandown for expenditures made for existing public facilities which were constructed in anticipation of new growth and development.

- G. The Planning Board shall set forth a reasonable methodology and analysis for the determination of the impact of new development on the need for and costs of public capital facilities in the Town of Sandown and shall submit its recommendations to the Budget Committee for consideration as part of the annual budget pursuant to New Hampshire RSA 674:8 and the CIP.

Section IV: Applicability and Rules of Construction

- A. This ordinance shall be uniformly applicable to all new development which occurs within the corporate boundaries of the Town of Sandown.
- B. The provisions of this ordinance shall be liberally construed so as to effectively carry out its purpose in the interest of public health, safety and welfare.
- C. For the purposes of administration and enforcement of this ordinance, unless otherwise stated in this ordinance, the following rules of construction shall apply to the text of this ordinance:

- (1) In the case of any difference of meaning or implication between the text of this ordinance and any caption, illustration, summary table or illustrative table, the text shall control.
- (2) The word "shall" is always mandatory and not discretionary; the word "may" is permissive.
- (3) The word "person" includes an individual, a corporation, a partnership, an unincorporated association, or any other similar entity.

Section V: Definitions

- A. A "feepayer" is a person applying for a building permit, or permit for mobile home installation for new development.
- B. "Public Capital Facilities" include assets, facilities, and equipment which are owned and operated by the Town of Sandown or cooperatively with other municipalities in cooperation with the Timberlane School District costing more than \$5,000 and considered beyond the scope of normal annual operating expenses as set forth in the CIP, such as, but not limited to: vehicles, land acquisition for public purposes, buildings, equipment and machinery with a useful life of greater than five (5) years, major building or facility renovations and repairs, road renovations which result in long-term improvement in road capacity or conditions and special studies such as Master Plans.
- C. "Public Capital Facilities" do not include costs associated with operation, maintenance, repair of such facilities, or with facility replacements which do not increase the capacity or level of service unless the cost of such increase exceeds \$5,000 individually or aggregately.

D. "New Development" includes:

- (1) The creation of a new dwelling unit or the addition of bedrooms to an existing dwelling unit.
- (2) The conversion of an existing non-residential use to a residential use or the conversion of a residence from not suitable for year-round habitation to year-round habitation.

E. "New development" does not include:

- (1) The reconstruction of a structure that has been destroyed either intentionally or by fire or natural disaster, provided there is no change in the size and density of the structure;
- (2) The replacement of a mobile home; and
- (3) The construction of an non-commercial or non-industrial accessory structure which would not increase the demand for facilities by the principal structure.

4. F. "Dwelling Unit" is any room or collection of rooms forming a habitable unit for one or more persons with its own cooking and food storage equipment and its own bathing and toilet facilities and its own living, sleeping and eating areas wholly within such rooms or collection of rooms.

G. "Bedroom" may mean any room other than a kitchen, bathroom, living or small utility room. In the review of the floor plans, the Building Inspector/Code Enforcement Officer when appropriate may deem floor space shown on a plan as constituting a number of bedrooms which could be reasonably built in that space as opposed to the number shown. The Building Inspector/Code Enforcement Officer may designate a room not to be a bedroom if it is clear that its use as a bedroom is unlikely in view of the layout and overall character of the planned residential structure.

In no event shall the number of bedrooms be more than the number of bedrooms approved by the New Hampshire Department of Environmental Services, Water Supply and Pollution Control Division, sub-surface disposal construction design.

Section VI: Imposition of Public Facilities Impact Fee

A. Any person who, after the effective date of this Ordinance, seeks to undertake new development within the Town of Sandom, New Hampshire, by applying for a building permit or permit for mobile home installation, is hereby required to pay a public capital facilities impact fee in the manner and amount set forth in Section VII of this Ordinance.

B. No new building permit or new permit for mobile home installation for any activity requiring payment of an impact fee pursuant to Section VII of this Ordinance shall be issued unless and until the public capital facilities impact fee hereby required has been determined.

C. In the event of conversion of a non-residential properties (not suitable for year-round habitation, commercial, industrial) to residential use, impact fees for a new dwelling shall be imposed, per this Section, upon issuance of a building permit.

Section VII: Computation of Impact Fees:

A. Fees for MUNICIPAL public facilities impact shall be based upon each dwelling unit and the first bedroom of each unit.

B. Fees for SCHOOL facilities impact shall be based upon the number of excess bedrooms (over one) in each dwelling unit. This fee shall also apply to bedrooms added to an existing dwelling.

C. The amount of the fee charged shall be calculated and reviewed annually by the Planning Board and adjusted as deemed necessary. Any change in the fee schedule shall be submitted to Town Meeting as a Warrant Article for acceptance.

D. The fee calculation shall be based upon:

(1) Anticipated expenditures for improvements to Public Capital Facilities under Section XII for the future fiscal year(s), not to exceed ten years. Such anticipated expenditures to be reasonable and prudent.

(2) Projected increase of dwellings and excess bedrooms subject to such fees, as in paragraphs A, B and C of this section for the next fiscal year(s), not to exceed ten years. Such projections to be reasonable and prudent.

(3) A logical mathematical correlation (such as simple division and amortization) of these above factors shall be used to determine the specific fees to be charged.

(4) The formula and fee structure is listed in Section XVII.

(5) Fee calculation for additional bedrooms shall be an accumulation of permits issued for additional bedrooms over the preceding sixty (60) months.

(6) Developments dedicated to elderly housing or retirement housing, where there would be no children in residence may be exempt from school impact fees.

E. Road impact fee(s) paid during subdivision approval shall not be duplicated.

Section VIII: Payment of Fee

A. The fee-payer shall pay the impact fee required by this Ordinance to the Town of Sandom prior to or upon issuance of a building permit or permit to install a mobile home or provide a letter of credit, issued in accordance with Appendix B of the Sandom Subdivision Regulations, payable upon issuance of an occupancy permit.

B. If said fee shall be paid by check, the check shall not include any other payments or fees. It shall pertain only to the impact fees. Fees shall be administered as required in Section X.

Section XI: Appeals

Any aggrieved party may appeal any decision under this ordinance in the same manner provided by statute for appeals from the office or board making that decision, as set forth in RSA 676:5, RSA 677:2-14, or RSA 677:15, respectively.

Section XII: Administration of Funds Collected

A. All funds collected shall be properly identified and dated and promptly deposited in the appropriate Impact Fee Account as determined in Section XI of this Ordinance and used solely for the purposes specified in Section XIII.

B. The Impact Fee Account shall be a special revenue fund account and under no circumstances will impact fee revenues accrue to the general fund.

C. Impact fees shall be accounted for separately, shall be segregated from the municipality's general fund, may be spent upon order of the municipal governing body, shall be exempt from all provisions of RSA 32 relative to limitation and expenditures of town moneys, and shall be used for any purpose allowed under Section XIII.

Section XII: Custody and Maintenance of Fund Accounts

A. There are hereby established three (3) Impact Fee Accounts for Municipal and School impact fees respectively. These shall be non-lapsing interest bearing accounts which shall not be commingled with other Town funds. The Treasurer shall have custody of all accounts and shall pay out same only upon approval by the Sandom Board of Selectmen.

B. Funds collected for Municipal and School impact shall be clearly identified and deposited in their respective accounts. Transfers of funds between these three major accounts shall not be allowed, except to correct payment or deposit errors.

C. At the end of each fiscal year, the Treasurer shall make a report giving particular account of all impact fee transactions during the year. Said report shall be published as part of the Treasurer's Report in the Annual Town Report.

D. Funds withdrawn from the impact fee account must be used in accordance with the provisions of Section XII of this Ordinance.

Section XIII: Use of Funds

A. Funds withdrawn from the Impact Fee Account shall be used solely for the purpose of acquiring, designing, constructing, equipping or making improvements to capital facilities owned and operated by the municipality, or in conjunction with the Timberlane School District, including and limited to water treatment and distribution facilities; wastewater treatment and disposal facilities; sanitary sewers, storm water, drainage and flood control facilities; public road systems and rights-of-way; municipal office facilities; public school facilities; public safety facilities; solid waste collection, transfer, recycling, processing and disposal facilities; public library facilities; public recreational facilities not including open space.

B. In the event that bonds or similar debt instruments have been issued for facilities which were constructed in anticipation of current growth, or are issued for advanced provision of capital facilities for which public capital facilities impact fees may be expended, impact fees may be used to pay debt service on such bonds or similar debt instruments to the extent that the facilities provided are of the type described in Paragraph A above.

C. Funds may be used to provide refunds as described in Section XIII.

D. Funds shall be accounted for on a first-in first-out basis.

Section XIII: Refund of Fees Paid

The current owner of property on which a public capital facilities impact fee has been paid may apply for a full or partial refund of such fees plus accrued interest calculated at the actual rate of interest earned on said funds.

The refund shall be owed when the Town has failed, within a period of six (6) years from either payment of such fee or the last installment payment, to expend or encumber such fees on public capital facilities intended to benefit the development which paid the fees. In event that a refund is due, the Planning Board shall notify the owner of record.

Section XIV: Credits

A. Land and/or public capital facilities improvements may be offered by the feepayer as total or partial payment of the required impact fee. The offer must request or provide for an impact fee credit.

B. Credit for the dedication of land shall be based upon the ad valorem assessed valuation.

C. Credit for the dedication of land shall be provided when the property has been conveyed at no charge to, and accepted by, the Town in a manner satisfactory to the Board of Selectmen.

D. Applicants for credit for construction of municipal or school facilities improvements shall submit acceptable engineering drawings and specifications and construction cost estimates to the Board of Selectmen and/or the Timberlane School Board. The Board of Selectmen and/or the Timberlane School Board shall determine credit for construction based upon either these cost estimates or upon alternative engineering criteria and construction costs estimates if the Board of Selectmen and/or the Timberlane School Board determines that such estimates submitted by the applicant are either unreliable or inaccurate.

The Board of Selectmen and/or the Timberlane School Board shall provide that applicant with a letter or certificate setting forth the dollar amount of the credit, the impact fee component(s) to which the credit will apply, the reason for the credit, and the legal description of other adequate description of the project or development to which the credit may be applied. The applicant must sign and date a duplicate copy of such letter or certificate indicating his agreement to the terms of the letter or certificate and return such signed document to the Board of Selectmen and/or the Timberlane School Board before credit will be given. The failure of the applicant to sign, date and return such document within sixty (60) days shall nullify the credit.

E. Except as provided in Paragraph D above, credit against facility impact fees otherwise due will not be provided until:

(1) The construction is completed and accepted by the Board of Selectmen on behalf of the Town, or the Timberlane School District, whichever is applicable.

(2) A suitable maintenance and warranty bond is received by the Board of Selectmen and/or the Timberlane School Board, when applicable. A suitable date for completion of construction must be agreed to, in writing, by the applicant and Board of Selectmen and/or the Timberlane School Board at the time of issuance of the bond. At the end of the agreed period, if construction has not been completed, the Board of

Selectmen and/or the Timberlane School Board may call the bond or extend the time for construction, but not beyond the expiration of time for holding impact fees as set forth in Section XIII. At the expiration of that time, the Board of Selectmen and/or the Timberlane School Board shall call the bond and order funds expended in sufficient amount to satisfactorily complete the bonded construction before returning any excess funds to the applicant.

F. Any claim for credit must be made no later than the time of application for occupancy or building permit or permit for mobile home installation.

G. Credits shall not be transferable from one project or development to another without the approval of the Board of Selectmen and/or the Timberlane School Board.

H. Credits shall not be transferable between the school facilities impact fee portion of the impact fee account or the municipal capital facilities account.

I. Determinations made by the Board of Selectmen and/or the Timberlane School Board pursuant to the credit provisions of the section may be appealed pursuant to the procedures contained in Section IX of this Ordinance.

Section XIV: Additional Assessments

Payment of public facilities impact fee does not restrict the Town or Planning Board in requiring other payments from the fee payer, including such payments relating to other infrastructure and facility needs not otherwise included in the public facilities impact fee.

Section XVI: Premature and Scattered Development

Nothing in this Ordinance shall be construed so as to limit the existing authority of the Planning Board to provide against development which is scattered or premature, requires excessive expenditure of public funds or otherwise violates the Town of Sandown Site Plan Review Regulations, Subdivision Regulations or Zoning Ordinance.

Section XVII: COMPUTATION OF IMPACT FEES

SCHOOL IMPACT FEE --

School Impact Fee is based on the following formula:

Historical mean cost/student of regular education classrooms built or competitively bid \$ 8,820

Individual dwelling unit assessment is based upon Rutgers statistical study of student factors which quantify the number of students per dwelling unit by number of bedrooms in the dwelling.

NO. BEDROOMS NEW DWELLING	2 BR	3 BR	4 BR	5 BR
NEW BEDROOMS -- EXISTING*	1st	2nd	3rd	4th
Student factor	0.243	0.793	1.470	2.052
District Impact	\$ 2,143	\$6,994	\$12,965	\$18,098
Sandown Impact Fee at 20%	\$ 428	\$1,398	\$2,593	\$3,619

* For additions to existing dwelling units, the factor will be the difference between the total number of bedrooms after addition construction, and the number of bedrooms prior to constructing the addition.

2. Town Facility Impact Fee is based on the following:

Capital Improvements Plan estimated for 1995-1998 \$200,000

Estimated likely improvements @ \$25,000/year \$100,000

Divided by estimated 50 new dwelling units/year = \$500/dwelling unit

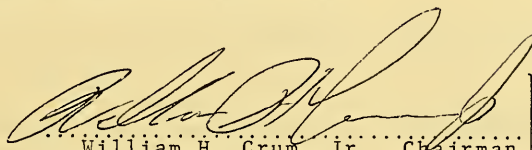

3. Town Road Impact Fee is based on the following:

Analysis of 11 roads on which development occurred over the past 10 years Range \$92-1357 per Dwelling Unit

Average = \$1164 per Dwelling Unit

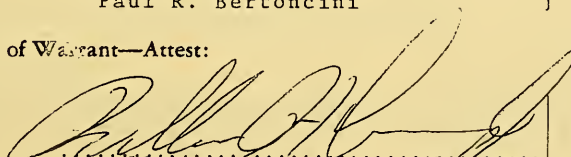

30. TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME

BUDGET OF THE TOWN OF SANDOWN, N.H.

TOWN OF SANDOWN

OFFICE of SELECTMEN

P.O. Box 1756 • Sandown, NH 03873

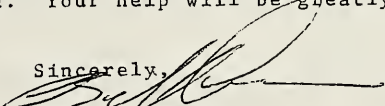

Telephone (603) 887-3646

The Board of Selectmen would like to, once again, thank the employees and volunteers that continue to give their time and efforts on behalf of the town. Without these people, this town could not run smoothly.

The Board would also like to thank Mr. Steve Brown, Mr. John Duffy and Selectman Paul Bertoncini for the work that they have put into developing a draft of employee policies and procedures. This has been a major undertaking and these gentlemen deserve our thanks for their work.

Finally, a yearly appeal for help. We have several committees that are in need of personnel. If you are interested in serving on any committee, please contact the Selectmen's Office. Your help will be greatly appreciated.

Sincerely,

Bill Crum

Don Parent

Paul Bertoncini

PLANNING BOARD
1994

The Planning Board has had a busy year. The Board had no major subdivisions submitted, it has worked on a number of smaller subdivisions and lot line adjustment plans. Some of the subdivisions involved road construction and have required improvements to existing town roads. The Board has tried to work closely with the town engineer and the road agent on projects of this type. A proposed site plan for the addition to the Post Office was reviewed and approved.

In addition to our regular monthly meetings the Board has held a number of special meetings regarding zoning changes. I thank all the members that have given their time above and beyond our normal schedule.

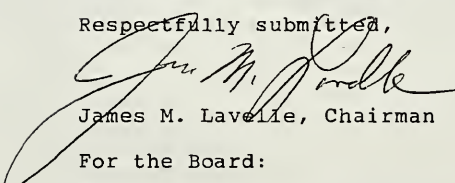

A new state law was passed allowing towns to collect Impact Fees for schools in a Regional District. The Board has presented a new Fee Ordinance for voter consideration.

The voters will also be asked to consider an Interim Growth Control Ordinance. This proposed ordinance has required several meetings and a great deal of give and take on behalf of the Board.

We have proposed amendments to the Cluster Regulations that we feel will improve the ordinance.

1995 has started out with a number of submissions to the Board and it appears we will have another busy year.

Respectfully submitted,

James M. Lavelle, Chairman

For the Board:

Edward Mencis, Vice-Chairman Annette Titorenko, Secretary

Vicki Wilson Donald Parent Donald Picard

SANDOWN ZONING BOARD OF ADJUSTMENT

THE ZBA IS A QUASI-JUDICIAL BOARD THAT THAT IS RESPONSIBLE FOR HEARING APPEALS AND RENDERING DECISIONS ON THE TOWN'S LAND USE ORDINANCES.THERE ARE THREE CATEGORIES OF CASES THAT THE BOARD IS AUTHORIZED TO HEAR:

- 1.APEALS OF ADMINISTRATIVE DECISION
- 2.APPROVAL OF SPECIAL EXCEPTIONS
- 3.GRANTING VARIANCES

IN 1994,THE BOARD HEARD A TOTAL OF SIXTEEN CASES EVENLY DIVIDED BETWEEN VARIANCES & SPECIAL EXCEPTIONS.MANY OF THE CASES HEARD DURING THE YEAR REPRESENTED A CONTINUATION OF THE TREND TOWARD REQUESTS FOR HOME BUSINESSES & THE CONVERSION OF SEASONAL PROPERTIES TO YEAR ROUND USE.

LAST YEAR ALSO SAW CHANGES IN THE MAKEUP OF THE BOARD.TWO NEW MEMBERS,STEVE CLIFTON & JEFF MORGAN,JOINED THE BOARD EARLY IN THE YEAR.THE BOARD ALSO SAID GOODBYE TO ITS CHAIRMAN,JOHN PAOLINI,DUE TO INCREASED RESPOSIBILITIES IN HIS JOB.JOHN'S EXPERIENCE AND DEDICATION WILL BE MISSED.THE BOARD WOULD LIKE TO EXTEND ITS SINCERE APPRECIATION FOR JOHN'S LEADERSHIP ROLE DURING HIS TENURE ON THE BOARD.

I WOULD BE REMISS IF I DID NOT MAKE NOTE OF THE OUTSTANDING JOB BEING DONE BY THE ZBA AIDE,PAT GAGNE.PAT BRINGS A PROFESSIONAL PRESENCE TO THE HER RESPONSIBILITIES AND OFFERS UP VALUABLE INSIGHTS DURING THE BOARD MEETINGS.

AS WE ENTER THE NEW YEAR THE BOARD IS IN THE PROCESS OF FILLING VACANCIES FOR ALTERNATE MEMBERS TO ASSIST IN THE RESOLUTION OF THE ZONING APPEALS THE BOARD WILL HEAR IN 1995.

RESPECTFULLY SUBMITTED,

MARK R.HAMBLETT
ACTING ZBA CHAIRMAN

BUILDING AND ELECTRICAL INSPECTOR'S REPORT

1994

This past year has proven to be as busy as 1993. Of the sixty-five permits issued for New Single Family Dwellings, thirty-nine (39) were in the Stoneford development. Thankfully we have gone another year without seeing any multi-family units. With interest rates rising still, albeit slowly, 1995 will in all likelihood see the same or fewer homes being built.

The electrical permits generally track the activity in building permits as they did again this year. We have been fortunate to have been able to observe a continuing improvement in the quality of the electrical work in town by contractors as well as homeowners. A State of New Hampshire Electrical license is required to do work in the state unless it is done by the owner-occupant of a single family dwelling.

The Code Enforcement issue that once again has become a problem is that of junk cars. Both town ordinance and state RSA restrict the number of unregistered vehicles to only one per property.

	1989	1990	1991	1992	1993	1994
New Homes	42	30	8	46	57	65
Permits	183	164	135	206	227	215

TOWN OF SANDOWN

HIGHWAY DEPARTMENT

P.O. Box 1756 • Sandown, NH 03873

Telephone (603) 887-3484

The first few months of 1994 kept the highway dept. busy with several snow storms and ice problems. Because of cold temperatures we used more sand and salt than usual to treat slippery roads. When the temperature is down around twenty degrees or less, salt is not as effective. Because of this the ice does not melt well and must be treated more often.

Once spring arrived we began our normal repairs and maintenance. Due to the road rebuilding projects that have been done in the past few years I found us spending a lot less time and money patching pot holes. In 1993 we used about 120 tons of cold patch and in 1994 that number dropped to around 70 tons.

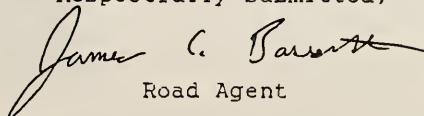

When school ended for the summer we began our road rebuilding (we start after school lets out so we don't disrupt bus routes). This year we completed Sargent Road. It was the final phase of a three year project. We then rebuilt Chase Road. The two projects added up to a total of 5800' of road that was dug up, graveled, and paved for a cost of \$135,000. It is my feeling that these types of projects need to be done every year to keep our roads safer and less expensive to maintain.

Throughout the year I get many questions about the town's right-of-way along the roads. All new developments and most of the older ones give the town a 50' R.O.W. (25' from the center line of the road on both sides). This gives the highway dept. room for snow storage and allows us to maintain shoulders, ditches, and culverts without being on private property. This area also provides utility companies a place to install and maintain wires, poles, and under ground services. Fences, walls, light posts, basketball hoops, and other structures are not allowed in this area. On most of the older roads the towns right-of-way is usually between the stone walls that run parallel to the road, with the exception of new subdivisions on existing roads. Generally the developer is required to deed over 25' from the center of the road if the current R.O.W. is less than that.

As always if you have any questions feel free to call me at home or work.

I hope you come to the town meeting in March to show your support to all the departments.

Respectfully Submitted,

Road Agent

ASSESSING REPORT

Abatements

In 1994 the number of requests for abatement of taxes was 25. Of these, 7 were granted abatements (either from significant deterioration of the property or due to an incorrect listing on the record card). A few have applied to the state appeals board. That board was able to settle some of the appeals originally filed against taxes for prior years as well as some more recent appeals. The decisions were about 1/3 in favor of the appellant and 2/3 in favor of the town.

New Valuations

Again, reference to the building inspector's report will indicate that a significant number of properties will have to be assessed in 1995 (mostly single family units but some others). These involve new structures, additions, alterations, outbuildings and similar items. In addition to those, it is a practice to review all property transfers. The total number is in the 450 region.

Equalization Ratio

The towns' equalization ratio is 1.31 (vs 1.33 in 1994), indicating a slight upturn in the market. This is the ratio of property valuation to market value. Half of the properties are greater than this and half less than this, with the majority within +/- 13% of this number (the coefficient of dispersion, or spread = 12.92)

The equalization ratio is the figure which is used to adjust town valuations to comparable values for fair sharing of the regional school district expenses. It also indicates that property values have decreased 31% since the revaluation in 1989. Note, however, that if property assessments were readjusted to make the equalization ratio =1 that a property's tax would not change since the tax rate would be increased by the same 31%. The taxes are primarily determined by the amount of money to be raised for school, county and town services and debt, while the amount for a given property's share is determined by the assessed valuation.

Some Statistics

142 property sales were recorded in 1994. Of these 111 were "arms length" (willing buyer/willing seller), 4 were foreclosures, 18 sales by banks, and the rest were of other types (inter-family, inter-business, court settlements).

Comment

As has been stated in previous reports, it is recommended that property owners check the property records at the town hall to ensure the listings are correct.

Respectfully submitted,

George E. Romaine
Assessing Clerk

1994 BUDGET COMMITTEE REPORT

First, I would like to begin by thanking the members of the committee for their hard work and long hours reviewing the 1995 Budget Requests. After a detailed review, the Budget Committee is recommending an operational budget of \$1,144,096.00. This figure is \$62,868.00 or 6% more than the 1994 approved operating budget of \$1,081,228.00.

A review of salary line items and non-salary line items shows that the salary line items (including salary, unemployment insurance, worker's compensation, and benefits) have increased \$46,563.00 or 11.1% . A similar review of non-salary line items shows an increase of only \$16305.00 or 2.4% . The primary reasons for the increase in the salary line items are:

1. Increase in the number of hours;
2. Increase in the pay rate;
3. Increase in payroll taxes and personnel benefits.

In addition to operating expenses, the Budget Committee also reviewed Petitioned Warrant Articles for 1995. The amount of \$477,170.62 was requested. The Budget Committee recommended \$403,670.62 that is \$73,500.00 or 15.4% less. The recommended amount for 1995 is also 19,409.14 or 4.8% less than the 1994 approved amount of \$423079.76.

As for the future, the present Chair would recommend a review of the process from which figures are gathered. The intent of this review would be to maximize efficiency. In addition, the Town has come under budget consistently for the past several years. The Selectmen and Department Heads are to be congratulated for this. However, this occurrence should be reviewed to determine if further steps could be taken to reduce the cost of Town Government.

To conclude, I would like to thank the people of Sandown for providing me this opportunity to assist with this crucial Town business. Thank you.

Respectfully submitted,

Fred T. Daley, Chair

SANDOWN CABLE TELEVISION ADVISORY BOARD
1994 ANNUAL REPORT

The Cable Television Advisory Board serves as a liaison between Sandown cable television customers and Continental Cablevision.

During the past year, the board has worked to stay informed of new developments in cable TV. As part of our role as a liaison between the Town and Continental, the Board attended to several customer problems during the year.

In the realm of local television programming, a number of locally produced programs are aired on Channel 48 and on Educational Channel 30. These include Sandown Candidates Night, the Annual School District meeting, school board meetings, the Timberlane High School graduation, school sports and musical events, and such feature shows as "How To," "Fitness First," and "Sandown Today."

Due to the fact that local producers now share Channel 48 with the Continental-WMUR joint venture "CMUR," local programs are assigned specific time slots. Currently, "Sandown Today" and other special Sandown telecasts such as the recent presentation on New Hampshire's E-911 and Candidates' Night are seen regularly Monday and Thursday evenings from 7 to 8 PM on Channel 48. Specific programs will be announced in local newspapers.

Local shows are made by many volunteers, and to get more residents involved Continental conducts hands-on training in television production offered at no cost.

If you have a problem which with cable service which is not resolved by Continental, a question about service or programming, or if you are interested in getting involved in making local television programming, call Tom Gainan at 887-2897.

Library Report - 1994

Sandown Public Library reports another successful year. Library circulation and visits remained steady, in spite of a harsh winter that kept many residents indoors and caused the Library to close several times.

In September, Barbara Lachance resigned as Library Director to pursue a library career at Merrimack College in North Andover, MA. Barbara worked for the Library for many years, and implemented numerous improvements including the Library addition and circulation automation. We wish her well. Gayle Hutchins Tudisco, the Assistant Librarian, became Library Director. Heidi Traeger joined the Library staff as the Children's Librarian.

This year the Library began a series of adult programs including an appearance by Rich Trethewey of This Old House, a program on UFO's in New Hampshire, a resume and interviewing skills workshop, and a lecture on Ghosts in New Hampshire. Over 200 residents attended our programs.

Children's programming continued to be a vital component of our services. Approximately 205 children registered for our summer reading program "Go Undercover with Books," and 492 children attended programs during the summer. As usual, story hours were well attended in both the spring and fall, with special storyhours offered throughout the year.

The Library Trustees continue their work on the endowment fund. Donations to the fund in 1994 from townspeople, present and former trustees and memorial gifts totaled \$14,075.

The Friends of the Library continue their efforts to support the Library, and funded Steve Ayotte's Magic is Fun show, Mrs. Claus, prizes for the summer reading program, the purchase of several audio tapes and plantings for landscaping. They continue to run the book sale room, and always welcome new members. We thank them for their on-going support.

Museum passes to the Londonderry Children's Metamorphosis, the Boston Museum of Science and the Concord Christa McAuliffe Planetarium are available to all town residents. The passes are possible through the generosity of the Sandown Mother's Club, the Friends of the Library, and Jan and Gary Caron.

The Library makes every effort to have a well balanced collection, and we want to remind you that if you don't find what you need we can borrow it for you through the statewide automated interlibrary loan system. We now have access to Article Express, a service provided by the New Hampshire State Library, that can provide residents with articles from over 400 periodicals overnight.

On behalf of the Trustees and staff, I thank all the people who have volunteered at the Library during the year. I also thank the residents of Sandown for their continued support of their public Library.

Respectfully submitted,
Gayle Hutchins Tudisco
Director

1994 HEALTH
DEPARTMENT REPORT

In April of 1994, I received the New Hampshire Installer's license by passing the State examination. I did this to aid me in understanding the State rules and to help me in conducting septic system inspections.

I attended both the Spring and Fall Health Officers' meetings. I also went to the workshop on Enforcement Issues for Health Officers sponsored by the New Hampshire Municipal Association in December of 1994.

The following list is a breakdown of inspections and reviews that took place in 1994:

Plan Reviews	53
Test Pits/Percolation Tests	34
New Septic Systems	32
Failed Septic Systems	17
Water Test/Suspected Sewage	4
Drinking Water	5
Day Care	2

Other types of inspections include:

- Housing Standard Complaints
- Offensive Matter
- Rabies
- Refuse Removal

Many thanks to all who have helped me in performing the duties of Health Officer.

Respectfully,

Mary Ellen Tufts
Mary Ellen Tufts
Health Officer

SANDOWN RECREATION COMMISSION

1994 REPORT

1994 was a very productive year for the Recreation Commission. As in years past, the residents of the town have given their unbridled support and cooperation. For this the Recreation Commission is grateful. Children as well as adults have benefited from the programs offered by us. A number of efforts by members of this commission should be recognized.

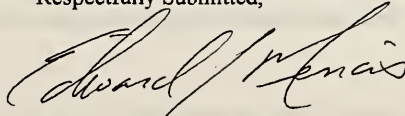

We thank Kerry Cregg for her outstanding work in organizing the Karate classes offered at the town hall. To date 350 children have graduated or are presently enrolled in classes. These classes build and provide one with self esteem and a basis for self defense. The adult Karate classes which we implemented this year drew 50 Sandown residents. These classes fulfilled a need in our community and gave the attending adults a sense of security that one needs in these trying times.

Heidi Traeger again organized the swim classes at Seeley Park. As in past years, she did a terrific job and 90 children and their families benefited from her hard work. During the summer months a herbicide was sprayed to eradicate the poison ivy along the state highway abutting the beach property. In the fall, the shrubs were trimmed back along the stairway and preparations were made for the surveying of the property. A cellular phone was purchased for the lifeguards for emergency use. This phone is also available for other town departments during off season. We were fortunate again to have a super lifeguard staff who competently monitored the beach.

We would also like to thank Maryann Lister who joined us late in the year to fill the responsibility for Jim Comerford who resigned.

In the fall of 1994, an offer was made by Dave White & Sons Construction of Sandown, for the total reconstruction of the Miller Recreation Area. The offer included the construction of four ballfields and several soccer fields, two tennis courts, one basketball court and a jogging track around the perimeter of the complex at no cost to the community. Several organizations have shown interest and offered their financial support. Several public meetings took place in 1994 and a warrant article regarding the project will appear at the March 1995 town meeting.

Respectfully Submitted,

SANDOWN POLICE DEPARTMENT
TOWN REPORT FOR 1994

Sandown Police Department's commitment for a positive and co-operative direction has again been prevalent in 1994.

As our town grows so does police activity. Our arrest and conviction rate has increased this year. We have continued to focus our efforts towards safety in our community. We have done this by both police involvement in citizen awareness and education for our children. I have visited and spoken to several of the classes at the Sandown Central School on safety issues and a Firearms Safety talk was presented to the Boy Scouts.

Our application of federal funding has been a valuable asset offsetting budget constraints and offered us the availability to focus on motor vehicle violations and D.W.I. arrests. In order to be accepted for this funding we must show the state and federal government the need, analysis, solution and the anticipated results of highway problems. This funding is based upon a set amount of hours and money allocated for an officer to specifically patrol for motor vehicle violations and D.W.I. offenses. These patrols have had a major impact on our roadway safety. Our accident rate has decreased and our D.W.I arrests have increased.

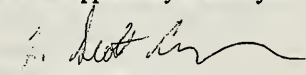

Our emphasis on training for each officer was implemented again this year. The more familiarization with new and existing laws, techniques and law enforcement research our officers receive reduces the prospect of liability issues for the town..

The merging of the Animal Control Division with the police department has proven to be very beneficial in respect to faster, more efficient responses to animal related incidents. We responded to 469 animal complaints in 1994.

Our Cadet Program is still going strong. It has increased in members and activities. Two of our youths attended the Cadet Academy this year. The Cadet/Explorer Program is derived from the Boy Scouts of America and focuses on youth interested in the field of law enforcement.

Our police station received a sprucing up. Members donated their time and elbow grease to clean and re-paint the entire station. New rugs were installed. Our image of professionalism not only includes a well attired uniformed officer but also a clean and pleasant looking environment. Our personnel and our station are representations of our town.

A Sincere Thank You to my officers for their team work, positive attitudes, professionalism and loyalty to their commitment. Thank you to the citizens of Sandown for the opportunity to serve you.

FIRE DEPARTMENT

1994 REPORT

In 1994, the number of fire calls only increased slightly. As always, service calls and accidents made for a busy year.

The in-house training, as well as having a full-size house to burn for training purposes, was a big big help to our training program this past year.

The school fire prevention programs have been expanded upon, thanks to Engineer Dennis Giangregorio and Firefighter David Cheney. The poster program in the Central School was a huge success. The open house during Fire Prevention Week also worked out well.

The new pumper that was purchased after the March town meeting was placed into service on October 31, 1994. The pumper is working out real well. With this latest addition, our equipment will service the fire truck needs for the next 8 to 10 years.

We now have excellent fire fighting equipment and an excellent group of firefighters. We can still use firefighters who are available during the daytime hours.

We, in the Fire Department, have spent a lot of time this past year working on the new E911 system that will go into effect on July 5, 1995. Kevin Major has carried most of the load and we thank him for that.

Please check your smoke detectors regularly and remember - keep your chimneys clean!

Thanks to the taxpayers of Sandown for your support this past year.

Sincerely,

Irving Bassett
Fire Chief

RESCUE SQUAD
1994
TOWN REPORT

The Rescue Squad is fifteen members strong this year with several others who are taking an EMT course in Danville this spring. We meet the second Tuesday of every month to train and go over business. We also attend classes throughout the year to enhance our educational level.

We had a smooth transition as Chaulk Ambulance Service took over coverage for our town. We miss Southern New Hampshire Ambulance Service and thank them for their many years of service.

We had the privilege of welcoming in a Sandown resident this year which earned several Rescue Squad members the Stork Badge. We responded to over two hundred fire and rescue calls throughout 1994.

In order to provide a place to bring patients in out of inclement weather, the Rescue Squad is asking for a new vehicle this year. This will not normally be used as a transport vehicle but can be used for this purpose if the need arises.

C.P.R. courses will be offered this year - if you're interested in this or in becoming a member of the Rescue Squad, please call 887-3606 and ask for Fred.

Thanks to all of the volunteers and their families who don't mind them running out of the house at all hours of the day and night and thank you all for your continued support.

Respectfully Submitted,

Fred Teague, Jr.
Captain

SANDOWN, N.H. ENHANCED-911(E-911) PROGRESS REPORT

This summer I was appointed the E911 Liaison for Sandown. As you may know by now, the State of New Hampshire will have E911 service for all of its towns by July 1995. My job is to see that Sandown is ready for the cutover by acting as a liaison between the town and Granite State Telephone/NYNEX and the N.H. Bureau of Emergency Communications.

Starting in July, if you need to contact Police/Fire/Rescue/Poison Control Center, you need only dial 911 from any non-cellular phone in N.H. E911 will allow the street address of that phone to show up on the computer screen of one of two centralized dispatch locations for N.H. That call will then be routed to an appropriate localized dispatcher. If you can not speak, don't know where you are, etc. emergency personnel will still be able to find you.

In order to make this system work, a database linking street address & number to phone number, needs to be established. Currently the phone companies are attempting to use the phone book data base as a starting point for matching up address with phone number.

The first step toward E911 was establishing a formal list of street names for the town. Many roads in Sandown have historical nick-names and multiple names. This had to be sorted out. Sandown also had many street names that were similar to each other. (i.e. streets with similar sounding names that are easy to confuse) This resulted in some changed street names. Some streets had to be renumbered to prevent confusion. Major changes were:

- Knockwood Road (like Hawkewood Road) was changed to Country Acres Road.
- Sandy Lane (like Shady Lane) was changed to Griffin Hill Circle.
- Lake Ridge Avenue (like Lakeside Drive & Lakeview Ave) was changed to Hunt Pond Road.
- Tenney Road had its' south-west portion changed to Tenney Farm Road.
- The intersection of Tenney Road and Chase Road was moved to the 90 degree corner.
- A road is yet to be named in the vicinity of Brown Ave.
- Tacoma Drive is being considered for separation into two roads.

The changes, although inconvenient, will aide emergency response teams in finding you in an emergency.

The second step towards E911 was insuring all streets are numbered by some standard method. Sandown was already in good shape in this area. Mr George Romaine has been working with me to keep this current.

The third step is trying to look at the E911 database listing for each of your phones (all 1900 of them). So far I've found that over 700 of them are incorrectly listed in the database. These I have fixed. I still have a long way to go. Many of you need to get your phone number listed correctly in the telephone book. I can not change telephone book listings.

Currently I am having trouble locating the addresses of people who have listed their phone book address as either: Sandown, N.H. or RR1 Sandown, N.H. This is particularly true of businesses. I encourage those people to contact me. Please give me the name your phone is listed to, and the street number & name where you are located. I'll see that the E911 database gets updated.

This E911 Liaison job has been a labor of love for me. I truly feel that it will someday help someone. I thank you all for your cooperation and understanding. If you have questions, please feel free to call me.

Kevin M. Major
E911 Liaison - Sandown
887-5442

SANDOWN, N.H. EMERGENCY MANAGEMENT ORGANIZATION

This has been my first full year as the Sandown Emergency Management Coordinator and it's been a pretty busy one. Below is a list of my 1994 accomplishments:

- Police Chief Currier has graciously explained to me the workings of the police department. I familiarized myself with the workings of the Fire and Rescue Depts. by joining them.
- I have been developing a **Sandown Emergency Operations Plan** that will provide operational guidance for town resources in the event of an emergency. This working document will be broken into annexes that address various emergency scenarios that Sandown could face. I am having some trouble obtaining a computer on which I can efficiently develop and maintain this plan.
- The **Sandown Emergency Operations Center (EOC)** has been established at the dispatch office of the Fire Department.
- In February I had the Greater Manchester Red Cross survey the Sandown Central School as a possible emergency shelter site. The Red Cross felt that the Central School would provide a very adequate shelter. No generator exist on site, but this is not a shelter requirement, per the American Red Cross.
- A Red Cross **Regional Shelter** has been established at Timberlane High School/Jr High School. This shelter can provide extensive facilities in the event of a mass shelter need. e.g. large seacoast evacuation (I can't imagine what for?)
- This spring, per selectmens request, I researched how Sandown might join the **National Flood Insurance program**. I provided them and the planning board with a history of why we were not in the program, and what steps had to be taken to join the program.
- This summer I was asked to serve as the **E-911 Liaison** for Sandown. Please see the separate report in your town report.

1995 EMERGENCY MANAGEMENT GOALS

- Obtain a computer for combined use by Emergency Management/Fire/Rescue. This computer will be used to: develop the **Sandown Emergency Operations Plan**; develop plans for annual emergency training exercises; maintain fire & rescue incident reports/training & immunization records/call sheets; provide a source of training for the Fire & Rescue personnel. The computer would be housed at the EOC.
- Complete the **Sandown Emergency Operations Plan**.
- Establish a **Volunteer Emergency Sheltering team**.
- Conduct an emergency sheltering exercise.

The State Office of Emergency Management often host free training on subjects such as major snow storms, hurricanes, sheltering, hazardous materials, FEMA assistance,... Almost all of these training programs are during the week days. My real job keeps me from taking advantage of these programs. I'd invite anyone with some time to call me about being on a training list. If a program is offered, I'll contact you to see if you might wish to attend a course as the Sandown representative. (any retirees?)

If you wish to become involved with Emergency Management planning or have any questions, please feel free to contact me at my home. Since I'm still learning, I'd love to get some feedback.

Kevin M. Major
Emergency Management Coordinator
887-5442

AUDITOR'S REPORT
TOWN OF SANDOWN

We have examined the financial statements of the funds and accounts of the Town of Sandown, New Hampshire at December 31, 1994 and for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and other such auditing procedures as we considered necessary in the circumstances.

The Town prepares its financial statements using accounting principles which are in conformity with the Uniform Municipal Accounting System promulgated by the New Hampshire Department of Revenue. These accounting principles differ in certain respects from generally accepted accounting principles, the effects of which on the accompanying financial statements have not been quantified.

In our opinion, except for the effects on the financial statements of the differences in accounting practices referred to in the preceding paragraph, the financial statements mentioned above present fairly the financial position of the funds and accounts of the Town of Sandown, New Hampshire at December 31, 1994 and the results of operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the previous year.

Our examination has been made primarily for the purpose of expressing an opinion on the financial statements, taken as a whole. The supplementary information is presented for analysis purposes and is not necessary for a fair presentation of the financial information referred to in the preceding paragraph.

AUDITOR'S COMMENTS AND RECOMMENDATIONS

We found all town offices staffed by dedicated employees who were very helpful and open to our suggestions. Overall, we believe everything is running well.

Most town accounts are now on computer with manual books as a backup. It is a matter of some concern to us that the computer system is not being used to its fullest potential. Most of the people who use the system seem to struggle when using it. It is our recommendation that a computer software specialist knowledgeable in Quicken and our other software packages be brought in to train those who have access to the computers and to solve the problem spots encountered. We believe this training would be cost effective. The clerks would be able to make more efficient use of their time and the reports would be in a format showing the entire financial picture making it easier to understand for all concerned. With cash receipts of 7.3 million dollars and cash disbursements of 6.9 million in 1994, we believe this is something that the Town of Sandown cannot afford to neglect.

Respectfully submitted,

Carol Waterhouse & Angela Sherwood
